RATINGS/UNRATED PLAYERS:

If any unrated players want to play, their latest league rating will be used for seeding purposes. If an unrated player does not have a league rating, an estimate rating from a USATT certified coach can be used and the coach must email info@fremonttabletennis.com. For seedings, the most recent rating list will be used. Matches will count for USATT tournament rating.

FORMAT:

Each team match will consist of 5 matches: 2 singles, then 1 doubles, and then 2 more singles. Each singles and doubles match will be best 3 out of 5 to 11 points. The group stages will have all 5 matches being played regardless of score in each team match.

For the crossovers (first set of matches), semis, and finals, the team matches will end when the first team wins 3 matches. Here is the format for each team match where each letter corresponds to a potential player:

TEAM 1	TEAM 2
A	X
B	Y
A/B (DOUBLES)	X/Y (DOUBLES)
A	Y
B	X

Any team that defaults matches without medical reason, injury, or other approved reason from the tournament director will not be eligible for prize money or trophies. If a default happens, that teams results may not count for the standings. The goal is to have 5-7 teams in each division. All teams in the same division will play each other in a giant round robin. Teams will be seeded into divisions based on the average rating of the two players on the team. Teams may have initial matches on Saturday morning 9 AM facing teams from other divisions. Teams can be relegated or promoted to lower or higher divisions for the rest of their team matches based on the results of these matches. Then the teams will just play in their own divisions.

TIMINGS AND SCHEDULE:

All teams must report to the control desk by 8:30 AM on Saturday, May 11, 2024. Crossovers will begin at 9 AM Saturday, May 11 with division play scheduled to begin when crossovers complete. Teams will play division group matches on Saturday and should expect to continue onto Sunday with semis and finals on Sunday.
